

I Live For You

From the album *I Dare to Believe*

By Charlie & Jill LeBlanc

Verse

I've needed You so many times
And yet You're always there to be my shelter
You sought me out when I was lost
A father and a shepherd You have been
Yes Your love captures me
It lifts me up to be all I can be

Chorus

I live for You
I live for everything You've done in me
I've found the truth
And I'm free, I'm free

Bridge

This world may see my flaws
But You see Your blood-bought child
My heart so changed by Your grace
Let my life be a canvas
For the art of Your love
