

Jesus How I Love You

From the album *I Dare to Believe*

By Charlie & Jill LeBlanc

Jesus

I give You all my heart

For everything You are

Jesus

There's no one else like You

So faithful and so true

Jesus

I worship at Your throne

I worship You alone

Jesus

The Holiest of all

On my knees I fall

1. How I love You

How I love You (back to beginning)

2. How I love You

How I love You

How I love You

I really love You
