

God, You're So Good

From the album *I Dare to Believe*

By Charlie & Jill LeBlanc

Chorus

God, You're so good, You're so good to me
God, You're so good, You're so good to me
Not by the works that I have done
but only by Your grace
God, You're so good to me

Verse 1

I thank You Father for Your Son
You gave to set us free
I thank You Father for the gift You gave at Calvary
You took me from the mess I lived
and made a brand new life
You cleansed me from my sins
and now I'm righteous in Your sight

Verse 2

You stripped me of my pain
You gave me life, You gave me love
You took away my shame
when You cleansed me with Your blood
Now everyday I wake up all that I can do is praise
The wonders of Your precious love
and the power of Your name

Bridge

I don't know why that You loved me
I don't know why that You cared
You took my past and You wiped it all away
That's why my heart just wants to say
