

Seeing By Faith

From the albums *Seeing By Faith* (1999) and *Keep Pressing On* (1985)
By Charlie and Jill LeBlanc

Verse 1

I can see light in the midst of darkness
I can see hope in the face of death
I can see all these things 'cause my Father says it's so
I'm seeing by faith, I'm trusting the Lord

Verse 2

I see my needs met when my pocket is empty
I see my heart strong when fear tries to tempt me
I can see all these things 'cause my Father says it's so
I'm seeing by faith, I'm trusting the Lord

Bridge

Stop! What's that I'm hearing?
The devil is screaming in my ear
"You're not gonna get it,
You're gonna regret you faith in God!"

Well, I've heard those lies before, Mr. Devil,
You don't have no power on me anymore.
So I cast you down in the name of the Lord
And I'll think of those things of good report

Like my God shall supply every one of my needs
And I'll reap of the harvest of my planted seeds
And my angels are working overtime
Just to gather up all the things that are mine

And if my earthly father can give me good things
How much more shall my Heavenly Father give
good things to His children who ask in His Name
So I thank You, Lord, and praise Your Name
Thank You, Lord!

Verse 3

I can see love in the midst of hatred,
I can see health when my body is achin'
I can see all these things 'cause my Father says it's so
I'm seeing by faith, I'm trusting the Lord
