

How Can I Praise You

From the CD *My Strength My Song*

By Charlie & Jill LeBlanc

Psalm 106:2 (CEV); Psalm 40:5; Matthew 24:14

Verse 1

How can I praise You, O Lord My God
How can I praise You, O Lord My God
With a million angels singing
With a million bells a-ringing
With a million dancers dancing
It just wouldn't be enough
To match Your glory

Verse 2

How can I love You, O Lord My God
How can I love You, O Lord My God
If my love could fill all Your oceans
If my love could fill all Your seas
If I could give You all my emotions
It just wouldn't be enough
To match the love You gave to me

Verse 3

How can I serve You, O Lord My God
How can I serve You, O Lord My God
Should I preach to the thousands in America
Should I preach to the millions in India
Should I preach to the billions who have never heard
It just wouldn't be enough
'til every man and child has heard
