

# The Blood Of Jesus

From the album *Redeeming Blood*  
By Charlie & Jill LeBlanc

## *Verse 1*

I know that His blood poured out for me  
Changing my heart and sets me free  
From all of the consciousness of sin  
Washing away my guilt and shame  
He's washing away my guilt and shame  
Once for all  
He shed His blood  
The sacrifice for sin

## *Chorus*

The blood of Jesus washed away my sin  
The blood of Jesus cleansed me from within  
The blood of Jesus breaking all my chains  
The blood of Jesus took away my shame

## *Verse 2*

Now I have confidence to enter in  
To the most holy place with Him  
And I will draw near with a thankful heart  
Knowing He died to pay the cost  
Knowing He died and paid the cost  
Once for all  
He shed His blood  
The sacrifice for sin
